- President's Report
 - Greek Week is March 14th-18th, 2011.
 - We will now open the floor for elections for the Greek Week Theme between *Greek's Going Green, Sports, 70's Disco, and Greek Gods and Goddesses*.
 - These themes were collected and organized by Sara from last semester's Greek Council.
 - If you have any other ideas or suggestions for events, please write them on the side of the ballot.
 - The winning theme was *Greek Gods and Goddesses*.
 - There is also a possible suggestion for Greek Council to get buttons/pins rather than shirts for Greek Week. With buttons, Greeks can wear it all the time; hence, always promoting Greek Week and Greek Life. The Council decided to do both shirts and buttons if the budget permits.
- Vice President's Report
 - We need to nominate someone for the Greek Marketing, rather than Greek Guide, position.
 - The Greek Advisors summarized the duties of this position.
 - Candince moved to open the floor for nominations. Lainey seconded.
 - Candince was nominated. She accepted.
 - Gavin Peters moved to close the floor. Lainey seconded.
 - Candince Dazet is the New Greek Marketing Position.
- Everyone broke into their respective committees.
- The Council then had another election for themes due to more than one member per org being present. Greek Gods and Goddesses won again.
- Sara then told the Council rather this is your temporary or permanent position; please make sure your respective president is informed on the information discussed in Greek Council.
- All Committee Heads please keep a record of the organizations in your committees. The Announcements Sheet helps.
